

56 Burned Over District Tour Palmyra, NY

Distance 25 miles

Difficulty ★ ★ ☆

"Burned over" came from the fact that this region experienced numerous religious revivals during the first half of the 19th century. Begin your tour in the heart of Palmyra's museum district. This tour will bring you along the founding historic sites of the Mormon religion and down Hydesville Road, where in 1848, two sisters, created a sensation which resulted in the birth of Modern Spiritualism.

Your ride will take you down country roads, picturesque in any season. Enjoy our rural setting, charming landscape and views along the Erie Canal as you follow the Canalway Trail. The "trailblazer signs" are distinctive and are easy to find. Your trail exit will be at Division Street in Palmyra.
